

Unleashing of University calendar invoking thoughtful messages

Today, on the occasion of the first day of 2010, the Hon'ble VC Dr Chandra Krishna Murthy unleashed the diary & calendar of University, in the presence of all the officers of the University, including BCUD Director Dr Magare, Finance and Accounts Officer Shri. Shilarkar, and all the Deputy Registrars and Assistant Registrars of the University. The pictorial calendar conceptualized by the Vice Chancellor herself, is thought provoking in its own sense. **The theme is “ University – the temple of learning”.**

The photograph showing convocation hall through the library gives the message that the way to degree is through acquiring knowledge in library with dedication. In another photograph, the Rajabai Tower raising above to the stock exchange building gives the message that knowledge is the supreme power and the University produces the capable persons who then control the country. In making of the calendar and diary, the assistance from PA to VC, Mrs Harsha was acknowledged along with the efforts of Mr Patole and the photographer Samadhan Parkar. The concept of the wonderful pictorial calendar is worded by Deputy Registrar Aashutosh Rathod.

Hon'ble VC wished that, the diary and the calendar shall prove to be useful in achieving the targets in the new year through planning. The calendar also gives the message that each day counts and that time is precious.

Aashutosh Rathod.

Deputy Registrar.
