

DJM NEWS

We are happy to announce that

DJM students of first batch were well received by industry and all had good job offers

Also now in the second year we arranged a seminar where 2 past students addressed

They narrated their experiences and said how they are using knowledge and skills

These proud alumni had good tips for present batch

As industry had indicated need to have part time course at graduate level in addition

It is designed and passed by university to launch this year

So we expect we will have 2 more bright batches of students in coming year

Gems and jewellery is a great field to make career

So all those interested do take note of this opportunity

TOURISM NEWS

We had great response for campus interviews and all had good placement offers

Seminar was arranged around World Tourism Day, where we had eminent industry members addressing students, many of them alumni

Students learnt a lot about destination development during their

Lavasa visit arranged by senior students

We are happy to announce commencement of 2 new courses

1 CRS training

2 Agri tourism

Both are part time

So GOOD news for college students who wish to learn along with their graduation NOTE
