

**Department of Chemistry (Autonomous)  
University of Mumbai**

Department of Chemistry, University of Mumbai is celebrating 'International Year of Chemistry' (IYC-2011). As a part of this the following activities have been organized.

1. Public lecture by an eminent scientist
2. Seminar competition (for details please see below).

**Seminar Competition**

**Theme:** Major discoveries in the chemical sciences and their impacts on the human life

A participant will have to deliver a seminar for **20 min** on the above topic using **power point presentation**. A participant must speak only on **one major discovery and its contribution to the development of society**. He/She is expected to talk in detail about the discovery, its direct applications and how it has contributed for the betterment of human life. The seminar is expected to be highly specific. **Abstract** of the seminar topic should be submitted along with registration form.

There are **three prizes** for the first three ranks. All the participants will be given participation certificates.

The competition is open for UG/PG students.

**Seminar date:** 19<sup>th</sup> December 2011

**Last date for application:** 5<sup>th</sup> December 2011.

**Date of intimation to participant about his/her selection:** 8<sup>th</sup> December 2011

**Venue:** Department of Chemistry, University of Mumbai, Vidyanagari, Santacruz (E), Mumbai-40098

**Application should be submitted to:** Dr. R. M. Kamble, Department of Chemistry, University of Mumbai, Vidyanagari, Santacruz(E), Mumbai-40098. Scanned copy of the registration form can be sent in advance to Dr. R. M. Kamble, Email: [chemrajkam@yahoo.co.in](mailto:chemrajkam@yahoo.co.in) (For Registration form please see below).

**All communications will be preferably made through emails.**

**Contact persons:**

Dr. R. M. Kamble- 9869146496, Dr. V. R. Patil- 9821013703, Dr. S. S. Garje-9969382865

PROGRAMME SCHEDULE

**DECEMBER 19, 2011**

<b>TIME</b>	<b>PROGRAM</b>
10.00-10.30 am	Inauguration
10.30-11.30 am	Public lecture
